INVITATION TO BID
GLASS AND STORM WINDOWS
 July 1, 2011 – June 30, 2012

About Us

Veterans Green Jobs is a nonprofit organization, and our mission is to connect military veterans with meaningful employment opportunities that serve our communities and environment. We focus on helping vets find career opportunities in stable economic sectors related to environmental restoration, preservation and sustainability; clean and renewable energy; and energy efficiency and conservation.

- VGJ-SLV is requesting bids for cut glass and storm windows for the 12-month period from July 1, 2011 – June 30, 2012. For all items, please include your freight policy (i.e., included in all prices, free for orders over \$500, FOB your location, etc.). An appeals process is available. All appeals must be in writing and addressed to: VGJ-SLV Executive Director (Tamar Ellentuck), 1825 State Ave. # 24, Alamosa CO 81101. Appeals must be made within 15 days of VGJ-SLV's decision being appealed. The VGJ-SLV Executive Director will issue a decision in written form within 30 days; all appeal decisions made by the Executive Director will be final. VGJ-SLV reserves the right to reject or negotiate any or all bids, to waive any informalities or irregularities therein, to make multiple awards, and to accept any proposal deemed desirable. Consideration will be given to our evaluation of products we have used in the past, to individual prices, to average for all prices, to freight pricing structure and to minimum order requirements. Invoices received by the 10th of the month are paid by the 10th of the following month (Net 30 terms). *If you have any questions please call Charlie Sanchez or Rae Venturi at (719) 587-9492.*
- In accordance with Title 8, Colorado Revised Statutes, Article 17.5, your company's authorized signature below indicates that "As a prospective contractor for the above-mentioned bid, I (we) do hereby certify that, as of the date of this certification, I (we) do not knowingly employ or contract with an illegal alien."
- Davis-Bacon provisions apply to the Weatherization Program.

CUT GLASS:	Single strength _____	\$ per square foot
	Double strength _____	\$ per square foot

MOBILE HOME STORM WINDOWS:	Price per square foot or united inch to manufacture Mobile Home "pin-on" storm panels.	
Extrusion (such as "trailer mold" or "C-Sash") supplied by VGJ-SLV	_____	\$ per square foot
	_____	\$ per united inch
"Trailer mold" extrusion supplied by vendor	_____	\$ per square foot
	_____	\$ per united inch
"C-Sash" extrusion supplied by vendor	_____	\$ per square foot
	_____	\$ per united inch

INTERIOR STORM WINDOWS: Price for an operable storm window in a frame, mounted on the interior of the home. The window should be able to be removed from the frame, or be able to slide within the frame, to make it "operable". Please indicate if your bid is for a sliding type window (horizontal slider, vertical slider, etc.) or for a fixed type window. Please indicate the construction details of your window (glass or acrylic glazing, vinyl or aluminum frame, etc.).

	_____	\$ per square foot
	_____	\$ per united inch

Please indicate your freight or delivery pricing: _____
